Dear SeA family,

With spring almost upon us, we are busy springing forward with many exciting opportunities to grow at SeA!

- Upgrades to physical education programs are underway with our annual Shoot-a-Thon! Students collect pledges to make free throw shots and funds raised will be used for these improvements. For more information, check the pledge form your child brought home last week.
- After School Clubs kick off again with offerings in spelling bee, book club, pickleball, STEM, and art. Check your emails for more information on these opportunities.
- Our middle school girls and boys soccer teams begin their regular season play with a game at Northeast Park against Magnolia. Games begin at 4pm and are a great way to enjoy an afternoon outside in the fresh air. Help cheer us on!

Join us this spring as we emerge from wintery weather into warmer days full of new learning!

Dr. Lewis Cox

## FRIENDLY REMINDERS

- Students should follow the school dress code when participating in our school spirit week themes.
- Your Pie is offering pasta options this month for Friday lunches.
- There is NO hot lunch delivery on early release days.
- Write your child's name in their jackets, hoodies, & lunch boxes so they don't lose them.
- Our NEW school bus should be on the road soon!
