

WELCOME BACK TO SCHOOL

SUMMER UPDATES

Over the summer, our campus has had a few facelifts and upgrades.

1. The Café got a fresh coat of paint.
2. Newly installed Café doors for updated security.
3. Campus security lights were updated to all entrances, as well as on the playground.
4. The gate from the parking lot to the playground can now only be accessed by approval.
5. New blue mulch for the playground will be added soon.

All the above mentioned upgrades were made possible by a competitive grant for school safety and OPTS fundraisers.

MORNING ARRIVAL

As you pull in for drop off, please pull all the way up to the playground rather than stopping at the side lobby doors. This will help prevent a back up on the highway and also allows multiple students to exit their cars simultaneously.

As a reminder, classroom instruction begins at 8:00am. Therefore, a student is considered tardy if not in their classroom by 8:00am.

The side dropoff doors will be closed at 7:55am to allow teachers to get to their class. Any student being dropped off after 7:55am should enter through the front door.

SCHOOL DISMISSAL

Buses will begin to load at 2:55pm, followed by car riders.

FRIENDLY REMINDERS

- The Charleston Wrap fundraiser is underway. This fundraiser is the first of the year and helps us to provide fun incentives and activities for SEA.
- Please write your students' name on any personal belongings such as coats, lunchboxes, etc. to ensure its return in the event that it becomes misplaced.
- An updated Student/Parent handbook, which includes SEA's Dress Code can be found on our website.
- My Hot LunchBox will begin service Sept. 3rd. Orders can be placed through the school website starting Aug. 21st.

Dear Parents,

I hope that you and your children had a great summer. We have some exciting things planned for this school year such as new resource opportunities, the potential for our 8th graders to earn high school credit hours, and we hope to continue our after school camps in the future.

I truly hope this school year is a great one, and if we all work together, I have no doubt that it will be.

Dr. Lewis W. Cox

BUS INFO

Pick up / Drop off will continue to be from the Twin Oaks parking lot. Times are as follows:

Morning drop off: 7:20 - 7:30 am

Afternoon pick up: 3:15 - 3:25 pm

Bus seats will be filled once ridership numbers are evaluated.
