

INTEREST FORM FOR QUIZ BOWL GRADES 5-8

Southeastern Academy is looking to put together Quiz Bowl as an after school extracurricular club activity for grades 5-8. This form is just to help determine if there is enough interest in Quiz Bowl. Based upon the number of students who return signed forms, then two groups may have to be created: Group A, who would meet in the fall, and Group B, who would meet in the spring.

Quiz Bowl is a general knowledge competition which stresses quick recall. Two teams, one elementary (5th grade) and one junior (6th-8th grade), will be created for SeA Jr. Beta Club from those who attend a majority of the meetings. Each team will only have 4 members who will compete at the NC Jr. Beta Club Convention.

Form due 8:05 a.m., Friday, September 20, 2024

You will be provided with information, including which Quiz Bowl group the student is in, after *Interest Forms for Quiz Bowl* due date.
