OPTS membership is \$10/year. Please make checks payable to Southeastern Academy OPTS.

One OPTS goal is that every member will commit to volunteering at least twice during the 2016-2017 school year. Below are descriptions of some of the standing committees within OPTS. Please rank your top 3 choices so we can match your skills and interests with the many volunteer opportunities at Southeastern Academy.

\_\_\_\_\_ **Beautification:** The goal of the beautification committee will be to conduct two “Clean up and Spruce Up” projects this school year (one in the fall and one in the spring).

\_\_\_\_\_ **End of Grade Testing Support:** This committee provides snacks and drinks each day for every student and volunteer during the week of EOG testing.

\_\_\_\_\_ **Fundraising:** This committee is focused more on the “smaller” fundraisers conducted throughout the year (such as skate nights, 10% meal nights, Charleston Wrap, etc). While Libby Davis helps to coordinate these events, additional assistance is needed.

\_\_\_\_\_ **Fall Festival:** The Fall Festival will be held in October. By serving on this committee, you will help coordinate the many fun activities (face painting, pie throwing, dunking booth, etc) that occur that evening.

\_\_\_\_\_ **Spring Auction:** This is the “big” fundraiser each year and the results over the past years have been critical in helping SeA improve the access to technology and learning opportunities during the past several years. Whether it’s asking for sponsorships and donations, obtaining auction items, or helping with the set-up of the event, there are many ways to help on this committee.

\_\_\_\_\_ **Teacher Appreciation:** From small tokens of appreciation such as making sure the coffee maker has a variety of choices, to large meals during Teacher Appreciation Week, this committee works throughout the school year to show teachers that we really do appreciate their efforts.
